

Will Governor Jan Brewer Stand Up to the Unions?

Thanks largely to grassroots efforts, the Arizona Legislature has passed Senate Bill 1322, the **municipal managed competition reform** bill!

The bill now goes to the desk of Governor **Jan Brewer**. The **good news** is that Gov. Brewer has some good policy people on her staff, and she has in the past showed some interest in **saving taxpayers money** by introducing private-sector competition into government services.

The **bad news** is that Gov. Brewer is under intense pressure to kill the SB 1322 reform from government-worker unions, many city council members, and some business lobbyists. (For more info about SB 1322 and why those interest groups oppose the reform, visit <http://tinyurl.com/sb1322action>)

TAKE ACTION!

Please call and email Governor Brewer TODAY and ask her to sign SB 1322 and promote competitive reform of city government services.

To send Gov. Brewer an email, use her web contact page:

The phones for Brewer's office are (602) 542-1361 and (602) 542-4331

When you email and call Gov. Brewer's office, please tell her you are a taxpayer and you want to see city governments become more efficient. Be sure to put the phrase "**Gov. Brewer, please support SB 1322**" in the subject line and in the body of your email.
