**Join Us at RightOnline in Vegas!**

We have a big few months ahead of us. It's more important than ever that conservatives are organized, energized, and ready to take back our country on key free market issues. We will take big steps toward accomplishing those goals at **Americans for Prosperity Foundation's third annual RightOnline Conference in Las Vegas July 22-24.**

The RightOnline Conference will bring together thousands of citizen activists for important grassroots training and online activism workshops from top conservative leaders and organizations. The tools learned at the RightOnline Conference will help you to sway public policy debates in favor of conservative values and amplify the voice of the American Right.

**RightOnline highlights include:**

- \* Grassroots and New Media Activism Training
- \* “Best in Class” Grassroots Training
- \* “Know Harry Reid” Rally (AFP is sponsoring this event)
- \* Networking With Leading Activists From Across The Country

- \* and much more!

Whether you’re curious about how tools like Facebook, Twitter, or blogging can help the conservative cause or you’re a frequent user of these networks, this conference is for you. Our extensive lineup of panelists and speakers will help you leverage the Internet to send strong messages that the mainstream media and big government politicians can’t ignore. We will also help you reach out to all of those couch-sitting moderates who have yet to join today’s crucial battles for American freedom.

Some of the great free-market champions who will join us at the RightOnline Conference include:

- *Fox News’* **Judge Andrew P. Napolitano**
- Congresswoman **Michele Bachmann**
- Congressman **Mike Pence**
- RedState.com’s **Erick Erickson**
- *The Wall Street Journal’s* **Steve Moore**
- *The Wall Street Journal’s* **John Fund**
- Radio hosts **Herman Cain, Roger Hedgecock, Guy Benson, and Curtis Silwa**
- HotAir.com’s **Ed Morrissey**
- And many more. For a full list of speakers: <http://rightonline.com/agenda/>

After the RightOnline Conference, AFP will provide every participant with materials to educate the citizens of Nevada about Senator Reid’s tax-and-spend record in Washington and ask them to put grassroots pressure on him.

If you can’t attend, please consider contributing toward a scholarship for a young activist who may be full of great ideas, but not cash. Go to [www.aztaxpayers.org](http://www.aztaxpayers.org) and click on Contribute in the upper right-hand corner.

Too much is at stake this summer and fall to sit on the sidelines. I hope you will join us on the front lines in Las Vegas to continue the important task of taking back our country.
